

RAIN BARREL PROGRAM GUIDELINES AND APPLICATION

The town of Grand Falls has established a “share-the-cost” program for the purchase of rain barrels. This program is designed to provide an incentive to the business community or individual residents to save potable water thus improving the environment.

Eligible applicants: Any person or business planning to install a rain barrel in the town of Grand Falls.

Application process:

- Those who wish to participate in this program must complete a written application and return it to the Town along with a photograph of the property before installation.
- Applications will be reviewed on a first come, first served basis in terms of the date the signed application is received.
- The municipality will reimburse 50% upon reception of an invoice from a local retailer, up to the approved amount, upon project completion and verification by the Town. Please bring in a photograph of the property showing the installation.
- Application forms are available at the Town Hall, 131 Pleasant Street, Grand Falls New Brunswick, E3Z 1G6 and on the web site: grandfalls.com. Contact person: Lise J. Ouellette (475-7777).

Eligible projects :

- Grants are available for the purchase of a rain barrel and must meet the following criteria:
 - Limit of one (1) barrel per property (PID) inside Grand Falls town limits;
 - Purchases made from region retailers. The “region” includes from New Denmark to Saint-André inclusively.

Recipient responsibilities:

- Recipients must submit photos of the property showing the civic address and the installed rain barrel as well as a detailed invoice for reimbursement;
- Recipients must comply with all applicable municipal, provincial and federal laws and regulations;
- Recipients will be responsible for the selection, purchase and installation of the rain barrel;

Town responsibilities:

- The town will pay 50% of the purchase price for a rail barrel up to a maximum amount of \$50, until depletion of funds, per the approved application upon receiving an invoice and after verification of the completed project.

Eligible costs: Purchase price of one rain barrel.
